"50 Ways to Welcome Your New Pastor"

Check here each week for more pointers on how we can help make this clergy transition as smooth as possible.

#21 Stock the refrigerator, freezer and pantry with some staples.

#22 Make sure there are kid-friendly foods and snacks in the refrigerator.

Pastor Lisa has two boys, Wesley who is 14 and will be a freshman and Kalib who is 11 and will be going into 6th grade. Wesley loves Chinese food, sesame chicken, and almost anything with rice. Kalib loves anything with chicken but hates onions! He also loves most American food - burgers, hot dogs, etc. We would like to have some casseroles and desserts ready in their freezer when they move in. If you would be willing to prepare either a main dish or dessert for the freezer, please let Annie Hauck know as soon as possible. (Also any other supplies you might want to donate will be welcome). If you have children or grandchildren around about the ages of these two boys, see if they could be in church on the 9th of July and at the potluck to welcome these two young men.

Sunday, July 2 will be a single service led by Dick Baker at 10:00 am. Communion will be the following week with Pastor Lisa.

Dick Baker is looking for copies of the **2017 Upper Room Disciplines** that are perhaps not being used. 249-3735.

FEED THE HUNGRY

They may not be cold now, but they are still hungry. We are the only evening meal once a week for many people. Our pantry shelves are stripped every week of the few items that come in, so this week, as you shop, buy for yourself and then one more. Easy open cans of chili,

pasta, spam, and tuna are appreciated, as many do not have cooking items or can openers. Canned fruit is easy to eat, especially for those with dental issues. Bags of rice, pasta or potatoes are just not practical. Thank you for your generosity.

Hospitality is outside as well as inside. We share parking with other businesses and residences. Please be respectful of driveways and accesses. A neighbor on South 1st feels that she cannot back her truck out safely because her driveway is encroached on. Leave plenty of space, please.
