David Kalas, "When Did God become a Christian?"

October is Stewardship Month!

Sometimes life gets in the way of putting God first in our living and giving. In October we'll refocus and look at ways we give to our prayers, presence, gifts, service and witness for the mission and ministry of the church. We can all learn how to be more financially responsible, and learn how to give as a spiritual discipline, just like praying and attending worship. We hope you'll join us for the month of October for small groups, worship and time to talk about money and our relationship to it.
